

Summary of changes to Regulations

Under the new Charter and Bylaws, Regulations are fully within the powers of Council. The lists below summarise the changes that have taken place since the new Charter and Bylaws came into effect, and are presented to members for information.

The following Institute of Biology Regulations have been removed, either because they are no longer required through a change in the Charter and Bylaws, or because they have been superseded:

- 1.310 Election to Membership, Application Fees and Subscriptions
- 1.320 Procedures for Election of Officers and Council
- 1.330 Period of Membership, Honorary Membership and Vacancies of the Council
- 1.340 Notices to be Given and the Conduct of General Meetings
- 1.370 Examinations for Admission of Graduates or Associates
- 1.410 Admission to Fellowship of the Institute
- 1.411 Membership Committee and Requirements for Admission to Membership
- 1.412 Requirements for Admission to Graduate Membership
- 1.413 Requirements for Admission to Associate Membership
- 1.414 Student Membership
- 1.415 Election to Membership in Exceptional Circumstances
- 1.416 Appeals Against Refusal of Election to Grades of Membership
- 1.417 Signatures on Membership Applications
- 1.418 Transitional Arrangements for Admission to Membership following the Decoupling of Chartered Biologist from the Grades of Membership
- 1.420 Compliance by Members
- 1.421 Proceedings and Powers of the Council
- 1.430 Committees of Council, Delegated Powers, Appointment of Chairs and Members & Networks
- 1.431 Appointment of Chairs and Members to the Committees of Council, Reporting Boards, Committees & Networks
- 1.452 Levels of Application Fees

The following new and revised Regulations have been approved by Council:
